Purpose of use:	Application correspondence
Phone:	+49 176 88420247

Addresses without assignment:

Desired course of study

Degree, Subject/subjects:	Subject related semester:	Request status:
1. Request: M.Sc. Electrical Engineering (Electronics Design Technology), 2022-1 Type of University entrance qualification: HZB im Ausland (allgemeine Hochschulreife)	1	application successfully submitted

University entrance qualification

Type of University entrance qualification:	University Entrance Qualification abroad (general)
Acquired in:	abroad
Overall average grade:	1,0
Date of certificate :	01.08.2020
Country:	Iran

Additional details:

Information about compulsory military or alternative service

Military or alternative service completed:	No
--	----

Information of vocational training

Vocational training completed:	No
--------------------------------	----

Subject related higher education entrance qualification acquired in Germany

Subject related higher education entrance qualification:	No
--	----

'Vocational training, work experience, internships, etc. (Electrical Engineering)' for subject M.Sc. Electrical Engineering (Electronics Design Technology)

Status:	unchecked
Remark for applicant:	
Institution:	K. N. Toosi University
Nature of employment/training/internship:	Research Assistant
Period:	from 01.09.2023 to 31.08.2025

Institution::	R&D, Telecommunication Company of Iran
Nature of employment/training/internship::	Internship
Period::	from 01.05.2024 to 31.08.2024
Institution::	K. N. Toosi University
Nature of employment/training/internship::	Laboratory Instructor
Period::	from 01.09.2025 to 10.04.2026
Institution::	K. N. Toosi University
Nature of employment/training/internship::	Instructor
Period::	from 01.05.2023 to 31.08.2023

'Bachelor Degree (Electrical Engineering)' for subject M.Sc. Electrical Engineering (Electronics Design Technology)

Status:	unchecked
Remark for applicant:	
Degree::	Bachelor's Degree
Subject::	Electrical Engineering
Your GPA in your grading system::	16.59000
Maximum grade in your grading system::	20.00000
Minimum passing grade in your grading system::	10.00000
Date of final degree::	22.09.2025
Issuing university::	K.N. Toosi University of Technology
University webpage::	https://en.kntu.ac.ir/
University address::	Tehran Province, Tehran, Mirdamad Blvd, No. 470, Iran

'Language Proficiency (Electrical Engineering)' for subject M.Sc. Electrical Engineering (Electronics Design Technology)

Status:	unchecked
Remark for applicant:	
Proof of English language proficiency::	TOEFL iBT
Results::	109

'Bewerbertyp (Elektrotechnik)' for subject M.Sc. Electrical Engineering (Electronics Design Technology)

Status:	unchecked
Remark for applicant:	
obtained in::	In a country outside the European Union (EU)

'Documents (Electrical Engineering)' for subject M.Sc. Electrical Engineering (Electronics Design Technology)

Status:	unchecked
Remark for applicant:	
Cover Letter::	Cover Letter.pdf

Certificate of final university degree::	Degree_Certificate_Uni.pdf
Certificate of academic record/consolidated marks sheet::	Transcript_Records_Uni.pdf
CV/Resume::	CV.pdf
English proficiency test certificate::	TOEFL_Score_Report.pdf

'Evaluation of application data' for subject M.Sc. Electrical Engineering (Electronics Design Technology)

Status: unchecked

Remark for applicant:

I hereby consent to the storage and processing of my yes application data for evaluation purposes.:

'Certificate of the Academic Evaluation Centre (APS)' for subject M.Sc. Electrical Engineering (Electronics Design Technology)

Status: unchecked

Remark for applicant:

Documents

Statement:
